

## **Hairdressing and Beautician in VET schools and in companies**

- Course name: Hairdressing and Beautician in VET schools and in companies
- Course organizer: Arbor Talent Ltd.
- Venue: Budapest, Hungary
- Language: English

### **Topics:**

- As the beauty industry continues to evolve, it's crucial for teachers to stay updated on current trends, techniques, and best practices to prepare students for successful careers in this dynamic field. The course will emphasize the importance of creativity, personal expression, and client consultation in providing exceptional services. By creating interactive and inclusive classroom environments, teachers will empower students to build confidence in their abilities and develop their unique styles.

### **Learning Outcomes:**

- Participants will be equipped to create and implement engaging lesson plans that effectively teach these techniques to students. Educators will learn to foster hands-on learning experiences, enabling students to practice their skills in a supportive environment that encourages creativity and self-expression. They will gain strategies for promoting confidence among students, helping them to build their professional identities.

### **Group number:**

- minimum: 3 person
- maximum: 10 person
