

Modern pedagogy in primary school (SCH)

- Course name: Modern pedagogy in primary school (SCH)
- Course organizer: Arbor Talent Ltd.
- Venue: Budapest, Hungary
- Language: English

PROGRAM PLAN

1. Topics:

- Teaching modern pedagogy in primary schools involves exploring various innovative approaches and strategies that enhance learning experiences for young children. Collaboration and cooperative learning are emphasized, where students work together to achieve common goals. This promotes teamwork, communication, and problem-solving skills, preparing students for future collaborative experiences.

2. Learning Outcomes:

- Educators will develop skills to plan engaging, hands-on projects that encourage teamwork and problem-solving. They will also understand how to use technology in the classroom to make learning more interactive. By learning about ongoing assessments, participants will know how to give helpful feedback to students and support their growth. They will explore ways to promote emotional skills, helping students manage their feelings and build positive relationships.
