

## **Tourism and Gastronomy in VET**

- Course name: Tourism and Gastronomy in VET
- Course organizer: Arbor Talent Ltd.
- Venue: Budapest, Hungary
- Language: English

### **Topics:**

- As the fields of tourism and culinary arts continue to grow and evolve, it becomes increasingly important for teachers to foster a comprehensive understanding of these industries among their students. Participants will explore the fundamentals of tourism, including its economic, cultural, and social impacts, as well as the principles of sustainable practices that promote responsible travel. In parallel, the course will delve into the rich and diverse world of gastronomy, highlighting the significance of local cuisines, food cultures, and culinary traditions.

### **Learning Outcomes:**

- Educators will learn to design and implement engaging curriculums that cater to diverse learning styles, utilizing innovative teaching strategies to enhance student participation and interest. They will be equipped to create practical, hands-on learning experiences that connect theoretical knowledge to real-world applications.

### **Group number:**

- minimum: 3 person
- maximum: 10 person

### **Planned courses and registration deadline:**

- 2025 January - February - March - April - May
