

5 DAYS ENGLISH COURSE IN TENERIFE

PRACTICAL TRAINING

MAIN OBJECTIVES AND COURSE DESCRIPTION:

Main objectives:

- ✓ To improve the English communication skills in educational, social and vocational context. The practical approach to the course make it very attractive.

Course description:

This 5-day English course is ideal for teachers and staff of educational institutions who would like to improve their knowledge of the English language and learn, in a creative way, about the Spanish lifestyle. The course includes immersive **outdoor/indoor activities**: visits to different sites around the class area, speaking lessons in real life scenarios, team building, life/work balance, and mindfulness practices.

Complimentary to immersive activities, this course involves small group native English teaching; enhancing the development of listening, speaking, reading, and writing.

Main goals:

- Actively and confidently use basic vocabulary and grammar
 - Improve understanding and listening skills
 - Learn grammar and sentence structures
 - Be instructed on how to properly pronounce words and complex sentences
 - Become familiar with technical English for professional activity
- *Speaking* will be an integral part of lessons. Students are given the opportunity to express their ideas in a relaxed classroom atmosphere, by use of a range of activities to encourage communication.
- *Grammar* for effective communication will be presented and practised at all levels.
- *Vocabulary* is a key element in learning a foreign language. Various activities to encourage the acquisition of vocabulary are an integral part of the course.
