

5 DAYS SPANISH COURSE IN TENERIFE

PRACTICAL TRAINING

MAIN OBJECTIVES AND COURSE DESCRIPTION:

Main objectives:

- ✓ To improve the Spanish communication skills in educational, social and vocational context. The practical approach to the course make it very attractive.

Course description:

This five days Spanish course is suitable for teachers and staff of educational institutions who would like to improve the knowledge of the Spanish language and learn, in a different way, about the Spanish lifestyle since the course includes **practical outdoor/indoor activities**: visits to different sites around the class area, culinary workshops, speaking lessons in real situations.

Along with the practical activities, this course involves small group teaching, allowing concentrated, through study of Spanish, and developing listening, speaking, reading and writing it.

Main goals:

- Actively and confidently use basic vocabulary and grammar
- Improve understanding and listening skills
- Learn grammar and sentence structures
- Be instructed on how to properly pronounce words and complex sentences
- Become familiar with technical English for professional activity

- *Speaking* will be an integral part of lessons. Students are given the opportunity to express their ideas in a relaxed classroom atmosphere, by use of a range of activities to encourage communication.

- *Grammar* for effective communication will be presented and practised at all levels.

- *Vocabulary* is a key element in learning a foreign language. Various activities to encourage the acquisition of vocabulary are an integral part of the course.
